BRIEF ABSTRACT OF LETTER.

Requests that he may [illegible] to
afford such relief as circumstances
[illegible] is admissible under the
famine code though the case may not come under Sec. 162.

NOTES AND ORDERS.

So long ago as the 22nd Nov 08
the Rev. S. applied for funds for affording gratuitous relief.
As, however, gratuitous relief was admissible only after
the declaration of famine and the starting of relief works,

Sanctioned a sum of Rs. 20,000 for opening Poor houses under Sec. 40 of the Famine Code. But on a subsequent representation by the Rev. C., they allowed the Rev. Coadj. to utilise the amount mentioned above in granting gratuitous relief under Sec. 162 of the Famine Code. What the R. C. now want is that he should not be bound down to the strict provisions of Sec. 162 but may be allowed to grant gratuitous relief in all cases where it is admissible under the Famine Code.

The Rev. C's proposal amounts practically to an unrestricted grant of gratuitous relief in all cases in which, after the declaration of famine, it would be admissible. Their words comprise not only the class of persons coming under Sec. 162 but also those under Sec. 177 (inferior village servants like tolés and talaries), and those under Sec. 254. The proposal is, in other words, to depart from the Famine Code entirely and it is more in accordance with the policy adopted in the United Provinces of Agra and Oudh.

Under Sec. 50 of the Mysore Famine Code gratuitous relief should begin after the declaration of famine. But in the U. P. of Agra & Oudh, it was found that the grant of this form of relief prior to famine was very effective. In fact

fact the Resolution on the Famine Administration of the Provinces says: "General opinion seems in favour of defining famine district to be those districts in which relief ~~district~~ works with relief to dependents are needed, and scarcity districts as those in which ghastitous relief and aided works without relief works afford all the ~~relief~~ aid to distress that is necessary". The Rev. C. proposes the adoption of a similar policy here.

The specific instance on which the R. C's suggestion is based is that of the toties and talaris of the Sheniga Dt., who are described by the Dept. C. to be badly in need of relief. The general Question of affording relief to Village servants was discussed some time ago and orders have been already passed granting advances of Pottgi to Patels and Shanbogues. The case of inferior Village servants was considered to stand on a different footing, perhaps because they are allowed to earn money in other ways, and no immediate relief was considered necessary. But it is now pointed out that they can't get any other work and that their legitimate duties do not permit of their earning money in

Other ways.

It may also be pointed out that the Inspector Genl. of Police has proposed the grant of extra allowance to about 800 totis and talaris in charge of Outposts. The Rle is being separately subd.

Village servants who are required to stay in their village and attend to their duties - likely to be heavier than usual owing to the prevailing distress - deserve relief in some shape & the Rev Commr may be authorised to grant relief to them under art 177 of the famine Code. x We may also be generally empowered to afford gratuitous relief in all cases where such relief is admissible under the famine Code. ✓

x If the totis & talaris receive extra allces for guarding Outposts they will not obviously be entitled to gratuitous Relief.

Revenue Commissioner in Mysore.

To

The Secretary to the Government of
His Highness the Maharaja of Mysore,
General & Revenue Departments.

SIR,

Adverting to correspondence ending with Government Proceedings No.R.3603-12/Agri.69-08-9, dated 4th December 1908, regarding the grant of gratuitous relief in the affected parts of the State, I have the honor to state that the Deputy Commissioner of the Shimoga District, has applied for the grant of an aggregate amount of Rs.2000/- for affording gratuitous relief and for the grant of allowances to Toties and Talaries in his District. I have sanctioned this allotment but as Government Order does not contemplate cases other than those falling strictly under Section 162 of the Famine Code, I request that, as suggested in my letter No.5381 dated 27th November 1908, Government may be pleased to authorise the utilisation of the amount generally for affording gratuitous relief in all cases where such relief is admissible under the Famine Code.

2. Copy of the Shimoga District Deputy Commissioner's letter No.498 dated 25th December 1908, is forwarded herewith.

I have the honor to be,

Sir,

Your most obedient servant,

--------&&&&&&&--------

I have the honor to state that while I was touring a few days ago, among the affected villages of the Chennagiri Taluk, several Toties and Talaries complained to me that they had not been paid their usual Aya on account of the unfavourable seasonal conditions and had consequently nothing to live upon. On enquiry I found that their complaints were well founded. This useful class of village servants has not only got to do their usual round of duties in these hard times but their work will be enhanced consequent upon the relief works which are or are about to be started in several localities. I would, therefore, request you that as applied for in my telegram of yesterday you may be pleased to place at my disposal for the present a sum of Rs. 1000/- so that I may grant the allowances already proposed to such of the toties and talaries as have not been paid Aya by the villagers by reason of the failure of the crops.
